Some of these features come with attractions, culture and history, for the foodies we have the African cuisine, for the beach lovers we have the beautiful beaches you would love to be and have

fun. For the adventurous seekers we have places you would want to experience more and your safety and security are assured.

SAFETY TIPS AND PRECAUTIONS

Your safety is our number one priority. Here are some safety tips you would have to ensure so your stay would be interesting and safe as well.

TRAVELLING WITH US

we make sure your valuables are safe. also do well to lock your doors at the hotel you would sleep in. having any difficulty talking to the tour guide available with you at that moment.

we would take you out in the night if you want to. trust your instincts and avoid suspicious situations. if there is any contact with the tour guide available to you.

PERSONAL SAFETY TIPS

- Be cautious with strangers you would meet.
- Having difficulty in changing your currency, communicate with the tour guide available to you. He or she would assist you.
- Use reliable transportation service if you need one.
- Stay refreshed and energized always.
- Respect the local customs and laws.
- Stay connected with family or friends.

- Keep hand bags secure.
- Follow the guidelines from your tour guide.
- Seek help from your tour guides if there is a problem.
- Avoid walking alone in isolated places.

CULTURAL INSIGHTS

This is where all travelers get to understand the customs, traditions, values, beliefs and practices of the particular community they find themselves in.

PRACTICAL ADVISE

This comes up with your budgeting. Be prepared for unexpected expenses.
